

IRB Forms Changes Implemented on OHRE Web on 19-Feb-2008

Application Forms Changes

Key changes to the application forms are described below. Version date for all is 19-Feb-2008. Forms can be found at <http://ohre.unc.edu/forms/>

Application for IRB Approval of Human Subjects Research

1. Added item A.2.18 about use of gadolinium to the Summary Checklist, page 4
2. Revised question B.2.a. about limited waiver of HIPAA authorization, page 12

Determination Whether Research or Similar Activities Require IRB Approval

1. Deleted the "stopping instructions" that were after question 2.10.1. New instructions are now before question 2.10, page 4

Renewal or Termination of IRB Approval of Human Subjects Research

1. Clarified language in item 3, top of the first page

Modification of Approved Human Subjects Research

1. Added a new question (number 3) about risk change
