

8.3 Is it conducted under the aegis of UNC-Chapel Hill?

In the interest of protecting human subjects participating in research that is either under University aegis or would appear to be under University control, human subjects research that meets any of the following criteria will be subject to UNC-Chapel Hill IRB review and monitoring:

- The research is sponsored by UNC-Chapel Hill
- The research is conducted or directed by any employee or trainee of the University in connection with his or her UNC-Chapel Hill responsibilities
- The research involves access to any property or facility of UNC-Chapel Hill other than access to open spaces on the University campus that are readily available to the public at large
- The research involves the use of non-public information in the custody of UNC-Chapel Hill to identify or contact human research subjects or prospective subjects
